Gentlemen:

Enclosed is an article which the  
school librarians are expecting to  
read in your papers. You may edit it  
if you wish.

Last week I sent you one announcing  
the meeting but we did not see it printed.  
If there is some other means you would like  
us to use to get news to you please let  
me know and we shall try to please you.

Thank you,

Yours truly
