

August 31, 1967

Dear Click,

Thank you for presenting N.W. Indians to the WSSC girls group.

I overheard several of the girls say that your presentation was the most interesting of the lectures. I believe it became alive as you gave several real incidents from the Indian point of view.

Hope we can get together again next year.

Sincerely,

Loren W. McCracken

P.S. Thanks for getting things in gear at the paper office too.

L.M.
