Dear Mr. Relander:

In answer to your inquiry of November 17th, regarding Mr. Samuel Hill, I am trying to locate books about his life. There are several people here who are acquainted with the early days of Quaker history in Oregon and Washington, perhaps through one of these persons, I may be able to further bring some information to you. In the meantime, I hope to be able to send a bibliography to you within a few days. We are always interested in pursuing research of this nature and if we can be of service, we are pleased to do so. We do not have verifax facilities here.

Thank you very much for your inquiry and within a short time, I'll send you a bibliography.

Sincerely yours,

Genette McNichols
