Mr. Click C. Relander  
1212 North 32nd Avenue  
Yakima, Washington

Dear Click:-

It was mighty kind and thoughtful of you to send me the clipping from the Yakima Herald regarding myself.

This is extremely flattering and greatly appreciated as I am aware of the political sentiment of that particular newspaper. I only hope that, if I am successful in being re-elected as State Treasurer, I am able to conduct the office in such a way that it will justify Mr. Robertson's confidence. Please express to him my appreciation of his courtesy.

Kindest regards.

Sincerely yours,

*Tom Martin*
