WASHINGTON STATE DEMOCRATIC COMMITTEE

CENTRAL BUILDING, 810 THIRD AVENUE • SEATTLE • MAIN 3-6093

Dear Fellow Democrat:

The Democratic members of the Washington State Senate and House of Representatives join with the Washington State Democratic Committee in inviting you to participate in this year's Democratic J - J Legislative Appreciation Dinner on Friday, February 24 at the Tye Motor Lodge in Olympia. We are most proud to announce as special guests both our great United States Senators, Warren G. Magnuson and Henry M. Jackson.

Our featured speaker at this time has not been determined but will be a person of note from Washington, D. C. and presumably a colleague of our Senators. This will be announced as soon as we have a firm commitment.

Although in some regards we as Democrats are in a minority here in Olympia this year, we would like to have the biggest Democratic gathering in recent years to show we do have strength, unity, and a firm purpose to carry out our Democratic goals. With your help and the help of many others like you, this dinner can be a huge success and also help support the people who carry the banner for our party in this state. The tickets have been set at \$50.00 and for your convenience we are enclosing a reservation form which you may fill out and return to us.

Plan to join us February 24th. You won't want to miss this year's top Democratic event. Thanks in advance for your support of this worthy cause.

Sincerely,

Frank Keller
