Judge N. B. Brooks
Goldendale, Wash.

Dear Judge:

Your letter of 3rd together with you wonderful poem was read at our luncheon yesterday. Every member of the Club present, together with a number of out of town friends, appreciated every word of it.

We appreciate your response to our request and invite you to come over when you can and take lunch with us. I am sure a number of boys would be glad to look into a pioneer poets face.

With best regards, I am

Yours truly,
