Mr. Robert Bruce,
Dean of Graduate School,
University of Wyoming,
Laramie, Wyo.

Dear Sir:

I am writing in the hope that I may be able to obtain two copies of published thesis of Molly P. Stenberg dealing with the Peyote Culture.

I am sorry I can not give an actual citation on this, but Mrs. Stenberg's family here informed me it was possible it could be obtained through addressing you, and that the price would be \$1 the copy.

I am enclosing a postal note for that sum plus postage.

It would be highly appreciated if these copies could be obtained. And should the University press have a listing of other available publications, I would appreciate receiving such a list.

Most Sincerely
