WELCOME FRIENDS

Welcome back to White Swan where every year about this time you will find the community staging their widely heard of **TREATY DAY CELEBRATION AND ALL INDIAN RODEO**. Here you will find representatives from many tribes of Indians throughout the Northwest and Canada competing in various contests for big prizes and "wampum".

While you are here, visit historic Fort Simcoe State Park; drop in and visit the Indian Village here, you will be very welcome; attend the Sun-

day show, a War Dance with 80 to 100 Indians in full tribal regalia taking part; whoop it up at the cowboy dance in the Memorial Hall on Saturday night and join us in a Salmon Bake Sunday before the rodeo.

It is with a great deal of pride that we present this show, for many hours of work have gone into its preparation. So, we hope that you will enjoy a pleasant and entertaining stay here, and do come again.

ABOUT THE RODEO

Actually, our All Indian Rodeo, celebrating its tenth year, is not new to this country. Many horse round-ups and horse races were held here by the Indians during the past 80 years, well attended by visiting Indians who came to this valley to work in the fruit orchards, farms and hop yards. But, it is probably the first all Indian rodeo ever sponsored by an association of Indians in the State of Washington. Nine years ago it started with a dream, soon became reality with the help of a comparatively few enthusiastic men and women, and now our rodeo has been well established as an annual community affair. It is self-supporting and operates on a non-profit basis. Much work is volunteered and this has,

no doubt, contributed greatly to the progress we have made. During these eight years we have had the dependable help of Johnny Van Belle with his lusty bucking horses, the fatherly support of the Tribal Council, and the kindly backing of the community, the merchants of the valley, the American Legion of White Swan, and all the Indian organizations — The Klickitat and Logey Creek Cattle Associations, the Wigwam Club of White Swan, The American Legion Auxiliary, and the Reservation Improvement Club.

Deep gratitude and thanks to all who have contributed in the past and present to the continued success of our Rodeo.

At the All-Indian Rodeo it is the competitive spirit and sportsmanship of the cowboys and cowgirls, the attempts of the Indian people to keep alive their age old customs and traditions, and the spirit of good will and harmony among all who gather here, that removes us momentarily from the many problems that trouble this age.

To the hard working Rodeo Association members, merchants and businessmen of the valley, the contesting cowboys and cowgirls, the Indian Village and all those who in one way or another contributed to the All Indian Rodeo we are indebted for the successful operation of this show.

Thanks to them and thanks to you, who took time to attend. We hope you were favorably impressed and will return with your friends next year.
