FT. SIMCOE, WASH., May 16, 1895.

The above list of books, with many other books, have been issued by me this week under order of the Indian Office.

The issue paper which will be sent to Washington will not contain all of the above for I have issued many books which are not on the Property Return; and many of them were not on the Property Return three years ago when I first knew the school.

J. W. Glendening
