

April 6, 1926

Mr. M. B. Brooks,
Goldendale, Washington.

Dear Sir:

In conversation with Mr. Six who has recently been in your city, he intimated that you had some thought of inviting some of the state officials to your city and bringing them to the picnic. This would be a very good plan if it could be worked out and we would be very pleased if such could be done.

Does the date that we have talked of, Wednesday April 21 meet with the approval of your members or have you a date which you would prefer? If you have we shall be very glad to try and suit your convenience.

Kindly let me hear from you as soon as possible.

Very truly yours,

McG:LT
