Dear Mr. Belander: -

Thank you so much for the darling little Indian moccasins. They are so soft & sweet & my daughter was so thrilled when I told her you had gotten them from one of your "real Indian" friends -

Leland & I had such a time getting home from Seattle - we finally had to sit up all night with about ten other people in the lounge of the plane & arrived in Chicago at about eight the next morning -

Believe me we were terribly tired so consequently we both came down with dreadful colds that lasted about a couple of weeks - but every thing is O.K. now.

I was so sorry I didn't get to see Mrs. Belander - you tell her the next time she is around in this part of the Country to call us up - & you come with her.

I enjoyed so our short stay in Yakima - I love those hills so much & I think you all are very fortunate to live among them.
Thanks Again so very much - Helen Yost
