OFFICE OF
THE DIRECTOR

October 13, 1955

Dear Friend Click:

Just a quick line to thank you for the swell list which came in the afternoon mail. I will be talking with Reno Odlin in a few minutes and know he'll be glad to get the word. Your's is the fourth list already, but much the largest. I'll write again, but just now only a thank-you note.

Hastily

Chapin
