THE RECLAMATION ERA

The Reclamation Era, formerly sold by the Bureau of Reclamation, Department of Interior, will effective with the July 1953 issue be sold exclusively by this Office. It will be issued by the Bureau of Reclamation quarterly instead of monthly and the new subscription rate will be 50 cents a year, 15 cents additional for foreign mailing.

As a result of this price decrease and in accordance with records furnished this Office by the Bureau of Reclamation, we have extended your subscription for the maximum period of two years and are enclosing a refund for the unused portion of your remittance. In order to avoid drawing a Government check for an amount smaller than \$1.00 this refund is in the form of 5 cent Public Documents coupons, good until used for the purchase of any Government publications sold by this Office or redeemable at any time. We will notify you in ample time to renew your subscription so as to continue receiving it without a break in service.

We hope you will continue to find the Era helpful and informative and that our future mailing of your subscription will meet with your satisfaction.

Sincerely,

*Carper W. Buckley*
