

TO MEMBERS OF THE SOCIETY:

The Annual Meeting of the Washington State Historical Society will be held at the Museum April 4th, 1959, beginning at 2:00 P.M. The business session and program will be followed by light refreshments, with a chance for members to tour the Museum and to inspect the new exhibits.

An interesting program is planned. Representatives from many Washington communities which have participated in the COMMUNITY DEVELOPMENT PROGRAM sponsored by the University of Washington will be present. Chairmen of several of the History Committees which produced a local history of the community participating will take part in a panel discussion. The discussion will center upon the problems of gathering and writing local history.

Your new director is hopeful that a good number of the members will be present for this meeting, so that we may get acquainted, and you may have an opportunity to learn about the many new features which have been instituted in the work of the state society.
