Justice Hugo L. Black,
Supreme Court of the United States,
Washington 25, D.C.

Dear Sir:

Officials of the Confederated Yakima Indian Nation,
re: Alex Saluskin, chairman of the Tribal Council and Robert B.
Jim, secretary, and members of the publications committee, have
inscribed their signatures (page 82) to this copy of their
tribal publication.

Your attention is also respectfully directed to the dedication
on the back of the title page.

It is our wish you find some bit of enjoyment in scanning the
history of these people, who wished you have a copy of their
tribe's story.

Sincerely Yours
