Yakima, Wash.

Dear Click:

The girl has mailed the complete set of papers containing the Wild Horse story, I hope you have received them.

I believe that I told you before you are to use any pix that you wish, I took the pix to help Tom Stockdale try to get someone to save the carvings when the dam is built, what is the status of our chance of getting some of them saved?

Thnaks for your well wishes on our daily.

Cordially
