Mr. Chapin Foster, director,
Washington State Historical Society,
315 North Stadium Way,
Tacoma, Washington

Dear Chapin:

H. Dean Guie today showed me his membership card, sent by the State Historical Society. It was addressed to him and made out to him at the Republic Publishing company.

Dean's address, as given in submitting his check for membership, was his post office box, 1192, Yakima. He asks that any mail from the society be sent to that address.

Also, I don't know as to the quarterly mailing schedule, but he has not yet received a quarterly. My last quarterly came in about ten days ago. Mail of this nature (the quarterly) can get easily misappropriated through handling in situations where we have such a volume of mail. He asks that the quarterly address also be his home address, the one given.

Hope you and the staff have recovered from all the extra work put out in connection with the Pacific Northwest Historical Conference. Everyone seemed to have done a top notch job there carrying out the preparations and putting on the meeting.

Regards
